

WHAT YOU CAN DO TO PROTECT THE WATER IN RIVERS AND LAKES

If you want to know ways as a homeowner to help prevent polluted storm water, go to <http://www.sumnertn.org/documents/ENGwater2.pdf>

You can go to the Sumner County Engineer website for required forms for a Land Disturbance Permit by going to <http://www.sumnertn.org/Engineer.aspx>

To report unlawful dumping of substances such as motor oil or other contaminants that flow into storm sewers or streams in Sumner County (illicit discharge), please call 442-1153 and leave a detailed message.

To check discharges that are allowed, please refer to the Storm Water Management Ordinance, page 27 at <http://www.sumnertn.org/documents/Storm%20Water%20Management%20Ordinance.pdf>
